

Donald R. Dittmer
Maintenance/Construction Manager
919.719.4266, direct
donald.dittmer@tlgcre.com

RESPONSIBILITY ON THE TEAM

As Maintenance/Construction Manager, Donald is responsible for the oversight of operational and maintenance concerns for Grubb & Ellis|Thomas Linderman Graham's managed properties. This portfolio of more than 50 buildings includes approximately 3.4 million square feet of office, retail and mixed-use space. Donald also leads the company's team of 11 Building Engineers and is responsible for tenant construction projects, overseeing them from start to finish.

CAREER SUMMARY

Donald has 36 years of maintenance, operational and engineering experience and more than 12 years of construction management experience. His tenure in the industry and his hands-on knowledge of mechanical and building systems make him an asset to the Grubb & Ellis|Thomas Linderman Graham team. Prior to joining the company, Donald spent 18 years with Grubb & Ellis in Cleveland, Ohio, where he held similar responsibilities. His last project in Ohio involved overseeing the \$7 million restoration of a one-million-square-foot historic department building in downtown Cleveland.

EDUCATION AND PROFESSIONAL AFFILIATIONS

Donald attended the United States Navy Air Conditioning and Refrigeration School and holds a Universal HVAC Certificate. He was previously a member of the Greater Cleveland Ohio BOMA Association.
