CAREER SUMMARY

Since joining Grubb & Ellis|Thomas Linderman Graham in 2003, Jake has successfully completed office lease and sale transactions totaling over \$100 million. He has also been involved in investment and build-to-suit projects for clients located outside of the Triangle. Jake specializes in tenant representation and focuses on space utilization, efficiency and financial engineering to generate significant savings for office lease renewal, restructure or relocation.

Prior to joining Grubb & Ellis|Thomas Linderman Graham, Jake worked as a Staff Engineer for Withers and Ravenel in Cary, North Carolina. His responsibilities included coordinating with clients, design teams, land planners, utility companies and contractors to prepare construction plans, assisting in commercial and residential site planning and design, and developing erosion and sediment control plans to minimize environmental degradation while maximizing site potential. Jake gained valuable experience and unique insight into the commercial real estate industry during his time with Withers and Ravenel, bringing tremendous benefits to his clients.
