To Whom It May Concern:

I would like to express my sincere thanks to the client services team, at Grubb & Ellis|Thomas Linderman Graham's Chapel Hill location. It has been a pleasure working with both the office staff and the on-site team on a continuing basis, while our department has occupied space in University Square.

The team has been friendly, helpful, and reliably communicative, and they have made every effort to keep our department informed regarding building-related issues. In addition to interacting directly with us, they do a great job acting as liaisons between our department and the security and cleaning companies that serve our location.

I especially appreciate the positive, cheerful, and genuinely helpful attitudes of the client services staff that I interact with on a daily basis at Grubb & Ellis|Thomas Linderman Graham. It has been a pleasure working with Tracy, Ken, and Scott and I wish them continued success in the future.

Sincerely,

Brandie McCormick
