**Reply To: Buffalo Grove**

**Re: Chester Allen**

To Whom It May Concern:

This is my letter of recommendation for Chester Allen in regard to work he did on my behalf on the sale of a commercial parcel. The project in question was difficult and time consuming and Chester gave extensive attention to the project commencing with investigation and through sale. I would highly recommend him and would use his services again were I to be involved in another venture of this type.

Sincerely,

Robert P. Nesbit
