To Whom It May Concern:

It is with great pleasure that I recommend Jon Stanley, Real Estate Advisor, Grubb & Ellis|Thomas Linderman Graham. Jon recently leased our property at 307 South Academy Street in Cary.

Throughout the listing period and during the sales transaction, Jon always displayed a high degree of integrity, responsibility, and ambition. Despite a very tough market, Jon worked tenaciously and kept a positive frame of mind, certain that he could lease this property.

I highly recommend Jon as a real estate advisor and the whole team at Thomas Linderman Graham.

Sincerely,
