Dear John;

Take Jones represented us on our relocation recently from our previous office space at North Hills to our new office space at Carolina Place. I hope you'll forgive me, but rather than complete your survey, I decided to write you a quick note to say that Take did a great job for us. He was always on time, responsive and attentive to our needs, and I would gladly refer any of our clients to him for your company's services. Please do not hesitate to contact me with any specific questions you may have.

Sincerely,  
Roger Montague
