To Whom It May Concern:

On behalf of Financial Security Associates and myself, I wanted to make a recommendation for John Stanley of Grubb & Ellis as a complete professional in the real estate market place. He was a pleasure to deal with when we recently acquired some additional space.

This agent is hard-working, professional, knowledgeable, and thorough. He accomplished many features for us without our demanding them.

I very strongly recommend John Stanley as a person to work with for anyone with real estate needs.

Sincerely,
