Dear Mr. Allen:

I am writing to thank you again for your efforts to help us search for new space and secure a lease at our new facility in Apex. Our client base demands us to be able to set up a plant in a very short period of time. You promptly searched for potential sites, helped us narrow them down to two, and then provided the strategy and guidance to get the deal done.

The plant opened last night to rave reviews and satisfaction from our client. We expect to grow our business in the area and will not hesitate to call on you should we need to expand our footprint.

Thanks again for working with us on what sometimes was a very trying process.

Sincerely,

Robert Render
President
